

Dear Principal/Teacher:

Education is essential to building a productive future for our children and the community they will inherit. In order to succeed, we need everyone behind our educational system - the business community as well as parents and educators. **Mark's Feed Store BBQ Restaurant** wants to support your important work and salute students who achieve

excellence by offering your school an opportunity to participate in our "Good " program.

Here's how "Good " works:

1. Students (**age 12 and under**) who excel in academics or other areas would receive a "Good " certificate. Each certificate is good for a **Free Meal** for the child, when accompanied by an adult (no groups, please), at a Mark's Feed Store location in your area. Please limit one certificate per student.
2. Fax the attached request form and we'll supply you with 100 certificates and leave the specifics of distribution to your discretion. If your school uses a non-graded system or you'd like to recognize students for accomplishments in non-academic activities, please feel free to do so with these certificates

We think "Good " is a great way to encourage excellence in a format that is fun for your students and easy for you.

We'll be happy to send more certificates if needed at a later date. Just keep a copy and fill out the "Good " Request Form and fax to the number listed.

Thank you for your consideration, and especially for all you are doing for your students.

Sincerely,

Mary Stebbins
